Correction to: International Journal of Implant Dentistry (2017) 3:40 https://doi.org/10.1186/s40729-017-0103-5

Following publication of the original article [1], the authors would like to point out that it was Summers 1994 who originally described the osteotome technique. Regarding Figure 5 they would like to amend that it is based on the 07/2014 edition of the CAS-KIT manual.
